SMASHIN' BUNS FROM LONDON

Born in the heart of the United Kingdom in 2019, PHAT Buns brought the authentic American smash burger to the UK – and now we're bringing that same banging energy to the GCC.

From our first store to **17+ locations** across Britain, we've been perfecting the art of the smash with our secret beef blend, hand-cut chips, and that cheeky British charm you can't get anywhere else.

Every burger is smashed fresh and every visit feels like home whether you're in Leicester or Sharjah. **Welcome to the PHAT family.**
